UNITED HEALTHCARE NETWORK OF CARE PROVIDERS:

If you would like to search UHC Network of Care Providers:

1. Go to https://myuhc.com
2. Scroll down then click on "Find a Provider" on the left side of the screen
3. Click "Medical Directory"
4. Click "Employer and Individual Plans"
5. Click on "Shopping Around"
6. For the PPO plan, click on "Core" (there are a lot of Core options, make sure to click on the one listed simply as "Core")
7. For the HMO plans, click on "Navigate HMO / Navigate Balanced HMO / Navigate Plus HMO"
8. If the website doesn't automatically ask for a city, state or zip, click on "Change Location" under the local showing on the center of the screen
9. From there, search by categories or by provider name
10. A Primary Care Provider (PCP) can be changed in the future (within certain schedules). If someone wants an HMO plan but doesn't find a Primary Care Provider in the system, one can be assigned with the member's authorization
